MEMORANDUM FOR: Director, Office of Congressional Affairs
FROM: Director of Central Intelligence
SUBJECT: TV Transmitter and Camera

When you were Chief of PPS I told you about a small TV camera and a transmitter which could communicate with a mobile earth station. I forgot who told me about it. Whoever it was called me a week or two ago and told me that it works. Can you tell me who would know about this so that I can have somebody check up on it?

William J. Casey
